1. MA Stipend Increase reflected in MA Columns: 5% paid on Column II, Step 1 = \$2402.00. Columns with Master stipends will be calculated by adding the appropriate stipend amount noted above to the amount in the corresponding column that does not include the master stipend.
2. Teachers in Column II with less than BA+24 units are frozen at Step 1 until such time as they acquire at least 24 units. Once 24 units are obtained, the teacher will move down to the appropriate step based on years of service.
3. Column I is frozen.
4. Non-credentialed teachers working on a special education credential will receive a \$1,200 stipend for their second year at Step 3, Column I.
5. Longevity Increments – Unit members will be eligible to move no more than one step each year. Once any teacher reaches Step 14 in Col. IV, V, VI, that person will be given a longevity increment the value of one down step, every three years. Beginning with the 2015-16 year, the continuing education unit requirement will be eliminated between steps 23/26. Beginning with the 2016-17 year, the continuing education unit requirement will be eliminated between steps 26/29. Step 29 is the last step on the Salary Schedule.
6. Teachers must comply with the tuberculosis testing requirements of Education Code 49406 in order to remain in paid status. Teachers not complying with this provision shall be placed in unpaid leave status until such time as they comply with these requirements. The District shall give thirty calendar days' notice to a teacher before placing them on unpaid status pursuant to this provision.
7. Teachers who do not take any leave during the year will receive a \$200.00 bonus.
8. Teachers may move across columns pursuant to Board Policy 4131. The Board policy will be modified as follows. A teacher may take any number of semester units during the year to move across the salary schedule, provided that the content of the courses is approved by the District/Superintendent and the District Unit's Evaluation Committee. A district-approved unit will require prior approval of 15 hours of participation in staff development, conferences, professional growth opportunities and/or other administratively approved activities that occur after school hours, on weekends or during the summer. Participation hours that occur during the school day may also be approved if the participant pays for either his/her classroom substitute, registration fee for the conference, or hotel stay. The required number of hours may include any and/or a combination of the above listed opportunities. The Superintendent has the final say in approving courses/unit requests. The courses taken must meet the qualifications stated in the "Guidelines for Unit Evaluation Committee" and must be taken from a nationally accredited college or university, accredited through an accrediting agency recognized by the U.S. Department of Education and/or Council for Higher Education Accreditation. District Approved Units/Non-college/course units, with prior written approval from the Superintendent, are acceptable whenever there is a new textbook Adoption application to school wide professional growth, AB 466 training, or CDE approved training.
