Redesign District website to be more informative and user friendly for parents and community	<ul style="list-style-type: none"> • Redesign website to include more information and be more current and user friendly • Incorporate availability of forms in the new website design

- ❖ Based on availability of funds the following items will be considered as additions to the 2017-2020 LCAP: increase math support, increase custodial/grounds time, increase course of study, increase student support and improve phone systems. Additional considerations also include painting Chatom Elementary, and expanding the Physical Education Program at Mountain View with consideration of a track.
- ❖ We will also review methods to promote school events and increase student enrollment.
- ❖ Action items and estimated related expenditures are pending final development of 2018-2019 Budget
