Teachers Return

On Thursday August 9th our certificated staff returned to work and spent the morning reviewing policies and procedures for the 18-19 school year. For lunch the Mt. View staff went to Chatom to enjoy a great feast provided by the district as we celebrated years of service and introduced those that are new to the district. The afternoon consisted of the staff returning to their classrooms where they prepped for the school year.

Round Up

On Thursday, August 10th we opened the gym up for our start of the year round up. Staff was placed at nine stations while students moved about the gym collecting schedules, taking yearbook photos and receiving information and textbooks pertaining to all of their classes.

Linguica BBQ

Also on August 22nd we will be fundraising with a Linguica BBQ to support our 6th graders as they raise money to offset the cost to attend outdoor ed. at Foothill Horizons. \$8.00 will get you a linguica sandwich, a bag of chips and a drink. We hope to see you there.
