Whether you are new to the District or returning, I want you to know that your children are in the capable hands of a highly focused and qualified staff that are committed to providing a quality education where students learn, lead and succeed.

In preparation for the new school year, our teachers have been busy developing enriching instructional programs while other staff members have been busy preparing the gymnasium, performing arts stage, classrooms and grounds. - New website launched in May 2018
- New play and climbing structure (Coming in Fall)
- New landscape (Coming in Fall)

The Chatom Union School District is a small rural school District surrounded by a wonderful and supportive community. It is through the working partnerships between our staff, community and families that our students succeed. We encourage parents to be active and involved in their child's educational experience.

Quality instruction and student safety are our top priority. We recognize attendance as another key factor to student success. We believe every day counts in the success of our students and the school sites incorporate motivational activities to improve and promote school attendance.

Home-School communication is also essential. The school sites utilize, newsletters, emails, text messaging through Parent Square, weekly communication folders and Jupiter academic progress communication and social media. Please check out our new District website and like our Facebook pages. Please feel free to contact the District Office or School Site Office to help with any questions you may have regarding your child's educational experience.

We appreciate you being a part of our District and are happy to provide service to you and your family.

Sincerely,

Cherise Olvera  
Superintendent
