Principal's Message

Mountain View Middle School offers a quality education in a small school setting. As we implement our state standards, curriculum and instruction is focused on providing students with the 21st-century skills necessary to be successful in college and beyond. Emphasis will be placed on the development of skills that are centered on the following "4 C's": communication, creativity, critical thinking and collaboration. It is the vision of Mountain View to provide an environment where all students can reach their potential for growth both academically and socially. We strive to create an environment where all students can feel safe and valued for their uniqueness and abilities. We continue to reach out to parents and community members through Aeries, Jupiter Ed, Parent Square, and the Mountain View website, monthly newsletters, marquee, Facebook and Twitter pages.

In addition to the regular school curricular program, Mountain View offers enrichment, intervention and support programs. Some of the support programs include tutoring and intervention held after school. This year we will continue to offer Saturday School each semester where students are provided the opportunity to come to school on a nonscheduled school day to receive additional assistance. Enrichment classes such as drama, yoga, choir and the Missoula Children's Theatre program are also offered after school. The after-school sports program includes volleyball, soccer, girls' basketball, boys' basketball and track.

Mountain View Middle School provides a safe, clean environment as evidenced by the low number of major injuries and the general appearance of our grounds.

At present, classroom space, restroom facilities, storage, library, the computer lab and office facilities are adequate to support the instructional program. The school is compliant with the Occupational Safety and Health Administration (OSHA) regulations, fire drill and disaster drill frequency, and health-inspection criteria.

School Mission Statement

The Mountain View Middle School staff is committed to providing a quality education program within an environment that promotes self-worth and values human dignity. We as a staff recognize the need to provide for our students' academic, social, physical and emotional needs which will allow them to be successful throughout their educational career and beyond. We embrace and celebrate diversity while acknowledging that our commonalities, humor, commitment, perseverance, courage, teamwork, vision, spirit and respect for others make us all successful.

Parental Involvement

Parent involvement is highly encouraged at Mountain View Middle School. Research indicates that when parents are involved, students have the following:

- Higher grades, test scores and graduation rates
- Better school attendance
- Increased motivation, better self-esteem
- Lower rates of suspension

We have an open-door policy at the school where parents are welcome to come to the office at any time to discuss the needs of their child or to discuss the many ways in which they can be involved with the school and their child's education. Some of the parent activities and committees offered at the school include the following:

- | | |
|--|--|
| • Regular home-school communications | • Back-to-school night |
| • English Learner Advisory Committee (ELAC) and District English Learner Advisory Committee (DELAC) meetings | • Invitations to rallies and assemblies |
| • Parent Teacher Council (PTC) meetings and activities | • Invitation to special programs |
| • Family Literacy | • Weekly and quarterly progress reports |
| • Parent Information Night | • Daily access to student academic progress through the use of Jupiter Ed and Aeries |
| • Parent surveys | • Formal and informal conferences with teachers and administration |
| • College Awareness Day | • District website |
| • Parent conferences | • Updates via Parent Square and Facebook |
| • Open house night | • Coffee with the principal quarterly |

For more information on how to become involved at the school, please contact Principal Steve Lewis at (209) 664-8515.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

Learning opportunities and experiences will be provided to all students that will strengthen their academic, social and emotional development to enable students to be successful in higher education and careers.

District Vision Statement

The Chatom Union School District's staff is committed to providing a high-quality instructional program so every child has the opportunity to reach their fullest potential.

"The Warrior Way."

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2018-19 school year.

2018-19 Enrollment by Grade

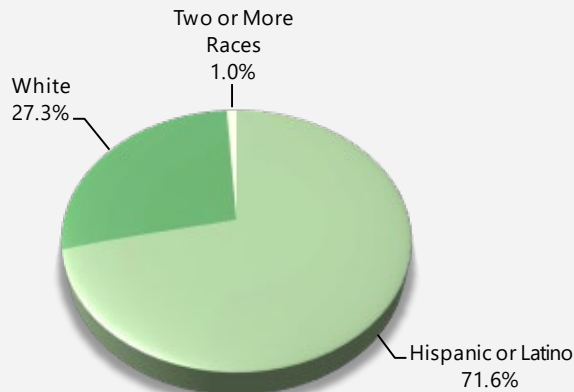

Enrollment by Student Group

The total enrollment at the school was 194 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2018-19 School Year

Socioeconomically disadvantaged	79.40%
English learners	38.70%
Students with disabilities	9.30%
Foster youth	0.00%
Homeless	3.60%

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size

Three-Year Data

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates

Mountain View MS

	16-17	17-18	18-19
Suspension rates	6.3%	1.6%	2.4%
Expulsion rates	0.5%	0.0%	0.0%

Chatom Union SD

	16-17	17-18	18-19
Suspension rates	6.8%	3.0%	2.6%
Expulsion rates	0.2%	0.0%	0.0%

California

	16-17	17-18	18-19
Suspension rates	3.6%	3.5%	3.5%
Expulsion rates	0.1%	0.1%	0.1%

Number of Classrooms by Size

Three-Year Data

	2016-17			2017-18			2018-19		
Grade	Number of Students

History/social science	1	6			2			2	

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

Percentage of Students Scoring at Proficient or Advanced					Two-Year Data	
	Mountain View MS		Chatom Union SD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
Science	✧	✧	✧	✧	✧	✧

CAASPP Test Results in ELA and Mathematics for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two-Year Data	
	Mountain View MS		Chatom Union SD		California	
Subject	17-18	18-19	17-18	18-19	17-18	18-19
English language arts/literacy	48%	46%	46%	42%	50%	51%
Mathematics	28%	35%	33%	36%	38%	40%

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test		2018-19 School Year
Percentage of Students Meeting Fitness Standards		Mountain View MS
		Grade 7
Four of six standards		32.7%
Five of six standards		25.0%
Six of six standards		25.0%

✧ Not applicable.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018–19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 6–8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Results by Student Group: English Language Arts (grades 6-8)

Percentage of Students Meeting or Exceeding State Standards					2018-19 School Year
English Language Arts					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded
All students	196	192	97.96%	2.04%	45.83%
Male	91	90	98.90%	1.10%	40.00%
Female	105	102	97.14%	2.86%	50.98%
Black or African-American	❖	❖	❖	❖	❖
American Indian or Alaska Native	❖	❖	❖	❖	❖
Asian	❖	❖	❖	❖	❖
Filipino	❖	❖	❖	❖	❖
Hispanic or Latino	141	137	97.16%	2.84%	35.77%
Native Hawaiian or Pacific Islander	❖	❖	❖	❖	❖
White	53	53	100.00%	0.00%	69.81%
Two or more races	❖	❖	❖	❖	❖
Socioeconomically disadvantaged	155	151	97.42%	2.58%	37.75%
English learners	126	122	96.83%	3.17%	34.43%

❖ Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	
2019-20 School Year	
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

Textbooks and Instructional Materials

Textbooks are adopted by the district after a rigorous review and evaluation process. Teachers and administrators review the state-adopted textbooks, determining which series best meets the districts' needs. The adopted texts are of sufficient quality and quantity to meet the instructional needs of students. All students have a textbook issued to them at the start of the school year. Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks and state standards adopted by the State Board of Education.

A public hearing was held on September 10, 2019, where a resolution was passed stating that the Chatom Union School District has sufficient textbooks and instructional materials aligned to the academic content standards.

Textbooks and Instructional Materials List		2019-20 School Year
Subject	Textbook	Adopted
Reading/language arts	StudySync	2017
Mathematics	Eureka Math	2017
Science	Holt	2007
History/social science	Holt	2006

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject		2019-20 School Year
Mountain View MS		Percentage Lacking
Reading/language arts		0%
Mathematics		0%
Science		0%
History/social science		0%
Visual and performing arts		0%
Foreign language		0%
Health		0%

Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks	
2019-20 School Year	
Data collection date	9/10/2019

"It is the vision of Mountain View to provide an environment where all students can reach their potential for growth both academically and socially."

School Safety

A safety committee consisting of site administrators, teachers, classified staff and district representatives meet annually to update the safety plan. The committee discusses any current or potential safety needs of the school and reviews site inspections held by outside sources. The committee also discusses suggestions and ideas for increased safety, which are brought forward by site representatives. The revised plan is shared with the site staff and is reviewed again at the beginning of each school year. The site holds monthly fire drills and conducts code blue drills and earthquake drills to ensure plans are practiced and in place in case of an emergency. The school site also participated in the statewide Great California ShakeOut on October 19, 2017, to bring greater awareness to earthquake safety.

A current copy of the school safety plan is available at each school site.

The physical environment: *GOOD REPAIR NOTICE* The district has a maintenance/landscape/custodial position to keep the facilities and grounds maintained in good condition. The district maintenance person does regular inspections as he visits each site weekly. In addition to the district maintenance staff member, the site custodians are on-call to recognize any potential safety or facility concerns. If a need is identified, the on-site custodial staff will attempt to fix the problem or will call the district representative for assistance. Emergency repairs are addressed by this position and outside vendors depending on the type of repair needed. Both Chatom Elementary and Mountain View Middle School have had portions of the facilities modernized.

Adequate lighting: All classrooms have been upgraded with energy-efficient lighting in addition to natural light that enables staff and students to conduct schoolwork in a safe manner. Exterior lighting has been increased in the patio area, cafeteria and staff parking lot.

Backpack policies: Students utilize backpacks to carry textbooks and supplies to and from school and between classes. Students are encouraged to not overload their backpacks to keep weight at a safe level. Several classes offer an in-class textbook so students can keep some books at home in order to lighten the weight of their backpacks.

Closed campus: Both district campuses are closed, meaning students are not allowed to leave campus without a recognized parent or guardian. Parents and guardians are required to report to the school office and sign their child out before they leave campus.

Comfortable rooms and furnishings: Staff and students have adequate space and furnishings to achieve success. Furnishings are in good repair, and facilities are maintained so that staff and students are safe and secure.

Crisis-response procedures: Regularly throughout the year, in order to ensure that everyone has greater chance for protection, the staff and students practice fire drills and code blue and other drills. A disaster-procedure poster is posted in all classrooms (Appendix H). A crisis kit is also available in all classrooms and main buildings including the office, library and cafeteria.

Entries and exits: All entries and exits are secure and supervised before and after school. Fire-drill maps are posted in each classroom. The school can be locked down 100 percent by a surrounding fence.

Environmental design: Site architectural plans note environmental design components.

Graffiti removal and vandalism repair: When graffiti is found, a photograph is taken for law enforcement, and it is then painted over or cleaned off the same day.

Hallways: Hallways are monitored during breaks by staff. Hall passes are required during instruction time. Procedures are in place for hallway behavior.

Interagency information-sharing agreements: A contract exists with the Stanislaus County Sheriff's Department. The Chatom Union School District is also a member of the Stanislaus County Emergency Operations Center (EOC).

Lockers: Lockers are not provided at the school.

Parking areas: Parking lots are available for use by staff and parents. Parking lots are well-lit in the evening to enhance safety. The parking areas for disabled persons are appropriately marked.

Positive posters, bulletins and signs: Mountain View has a civility program, where a different principal of civility is defined, modeled and stressed each month.

Safe, clean restrooms and facilities: The facilities including restrooms are cleaned on a daily basis and are kept in good repair.

Security technology: School facilities have operational fire-alarm systems that are checked for functionality on a monthly basis. Chatom Elementary School and Mountain View Middle School have an alarm system to help protect equipment and supplies during non-school hours and has a phone system that incorporates safety measures.

Prevention—creating a caring school climate: The administration will provide strong leadership for the mission of the district. Interactions with staff, parents and students are designed to underscore the focus of learning and good citizenship as key ingredients for success at the school.

A positive school environment includes classroom situations conducive to learning, minimizing interruptions. The staff emphasizes increased awareness of personal responsibility for students and respect of others through individual and cooperative opportunities for learning. Discipline will be a learning process aimed at changing behaviors and attitudes, not merely punitive reaction.

Continued on sidebar

School Safety

Continued from left

Intervention strategies to maintain a caring climate: Committees of all types, including School Site Councils, a District English Learner Advisory Committee, Technology Committees, Sunshine Committee and School Safety Committee provide opportunities for shared decision-making among employees, parents and community members.

Internal security is enforced through consistent district policies for behavior, attendance and academic performance.

Legal tools that restore a caring school climate: Chatom Union School District promotes a caring school climate that is supported by the adoption of Board Policies and Administrative Regulations based on California Education Code.

The safety plan will be formally revised with input from the District Safety Committee in January 2020.

"Emphasis will be placed on the development of skills that are centered on the following "4 C's": communication, creativity, critical thinking and collaboration."

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Types of Services Funded

In addition to the Local Control Funding Formula allocated to each site based on student and program enrollment, both sites also receive funding for Title II Teacher Quality, Title III English learner Student Program, Title V Rural & Low Income School Program, Lottery and After-School. Chatom Elementary School receives 100 percent of the district's Title I funding, and class size reduction exists in grades TK-3.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2019-20 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Good
Restrooms/fountains: Restrooms, sinks and drinking fountains		Good
Safety: Fire safety, emergency systems, hazardous materials		Good
Structural: Structural condition, roofs		Good
External: Windows/doors/gates/fences, playgrounds/school grounds		Good
Overall summary of facility conditions		Good
Date of the most recent school site inspection		10/7/2019
Date of the most recent completion of the inspection form		10/8/2019

School Facilities

Chatom Union School District is a great small district located in the rural area of Turlock, California. The district consists of one middle and one elementary school, the latter of which also contains a state preschool program. The Chatom School District was formed by the union of four smaller school districts in 1958. Mountain View Middle School became a part of the Chatom Union School District in 1968. At present, classroom space, restroom facilities, storage, library, computer lab and office facilities are adequate to support the instructional programs at Mountain View. As a result of the passing of a general obligation in November 2006, a new community center/cafeteria/gymnasium was opened on November 10, 2010. It is a beautiful facility with an official-size basketball court, two basketball practice courts and a volleyball court. The facility has a beautiful maple flex floor. The building also has a kitchen, stage, snack shack, restrooms and multiple storage areas. The additional construction offers program expansion for drama and music. The facility also provides a home-site gymnasium for physical education and after-school sports programs.

The school site is in good condition based on district-level inspections conducted by the maintenance department, fire inspections conducted by the Stanislaus County fire marshal and site inspections conducted by the Central Region School Insurance Group.

Our grounds are well-kept, and our facilities are cleaned on a daily basis by our custodial staff. Custodians are on-site from early morning to evening. The school day begins at 8:25 a.m. and ends at 2:40 p.m. After-school programs are offered on campus from 2:40 p.m. to 3:30 p.m. Students are not allowed to leave campus during the school day without a recognized parent or guardian who must officially sign them out through the main office.

"We strive to create an environment where all students can feel safe and valued for their uniqueness and abilities."

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information		Three-Year Data		
	Chatom Union SD	Mountain View MS		
Teachers	19-20	17-18	18-19	19-20
With a full credential	26	8	7	7
Without a full credential	2	0	0	0
Teaching outside subject area of competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions		Three-Year Data		
		Mountain View MS		
Teachers		17-18	18-19	19-20
Teacher misassignments of English learners		0	0	0
Total teacher misassignments		0	0	0
Vacant teacher positions		0	0	0

Professional Development

Early dismissal occurs every Wednesday throughout the school year. Staff development takes place every Wednesday for 45 minutes or every other Wednesday for 90 minutes. Collaboration time and/or prep time is also scheduled for all teachers. Activities center on the new state standards and improving instruction and learning, with time for collaboration. In addition, teachers receive training from the county office in instructional strategies. The focus for all staff development is improving student learning and positive behavior with emphasis on meeting the needs of all students.

Professional Development Days		Three-Year Data		
		2017-18	2018-19	2019-20
Number of school days dedicated to staff development and continuous improvement		40	40	40

* Our counselor visits Mountain View Middle School one day a week and as needed to service the 185 students on campus.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data	
2018-19 School Year	
	Ratio
Academic counselors	1:185*
Support Staff	FTE
Counselor (academic, social/behavioral or career development)	0.2
Library media teacher (librarian)	0.0
Library media services staff (paraprofessional)	1.0
Psychologist	0.2
Social worker	0.0
Nurse	0.5
Speech/language/hearing specialist	0.4
Resource specialist (nonteaching)	2.0

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2017-18 Fiscal Year	
Total expenditures per pupil	\$11,837
Expenditures per pupil from restricted sources	\$3,167
Expenditures per pupil from unrestricted sources	\$8,671
Annual average teacher salary	\$69,668

Financial Data

The financial data displayed in this SARC is from the 2017-18 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data	2017-18 Fiscal Year	
	Chatom Union SD	Similar Sized District
Beginning teacher salary	\$49,728	\$45,252
Midrange teacher salary	\$69,505	\$65,210
Highest teacher salary	\$96,265	\$84,472
Average elementary school principal salary	\$119,860	\$107,614
Average middle school principal salary	\$105,264	\$112,242
Superintendent salary	\$158,608	\$124,686
Teacher salaries: percentage of budget	35%	31%
Administrative salaries: percentage of budget	8%	7%

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison	2017-18 Fiscal Year	
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Mountain View MS	\$8,671	\$69,668
Chatom Union SD	\$8,671	\$73,401
California	\$7,507	\$64,941
School and district: percentage difference	+0.0%	-5.1%
School and California: percentage difference	+15.5%	+7.3%

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of December 2019.
