## Principal's Message

Chatom Elementary School is located west of Turlock in a rural agricultural area, bordered by orchards, dairies and cornfields. We offer a rigorous academic program designed to meet state standards and challenge students to think creatively and be problem solvers. Full-day kindergarten and transitional kindergarten students can get a high-quality college prep education. Our parents and community involvement are the key to our students' success.

Providing a safe and positive learning environment programs provide students with a solid academic foundation. Our close-knit staff collaborates regularly to meet the needs of students and to continuously improve through professional learning. Chatom is a place where safety for students is our priority. All students are expected to conduct themselves in a responsible manner, showing courtesy and respect toward all individuals and property.

We are also proud of our after-school programs. We offer students homework assistance, academic intervention and enrichment electives. Enrichment course offerings vary, but currently students may choose from Warrior Leadership, Career Exploration Club, Fun with Sports, TK Camp, Strategies, Creative Writing, Gardening or Accelerated Reading club.

Our staff includes highly qualified teachers, a reading and writing support teacher to provide literacy remediation, and a physical education specialist who provides instruction to students in grades 3-5.

Our school works diligently with parents and faculty to foster an atmosphere that promotes a learning community characterized by child centered instruction and decisions, academic excellence, trust, respect, community involvement, excellent communication, and recognition of both student and staff achievements.

Chatom is committed to working in collaboration with you to continue the development and implementation of this shared vision. Working together as a team we will move forward in our mission this new school year to create a nurturing, disciplined, and challenging environment in which all students can learn at optimum levels and become responsible members of society. We have so much to be proud of as a staff, family, and community and it feels good knowing "we are all in this together!" By working as a team with you, we will be able to offer the best to our children. Our school success would not happen without you!

## School Mission Statement

The mission of Chatom Elementary is to provide a comprehensive, rigorous instructional program with creative learning opportunities and experiences that meet the needs of its diverse rural student population, ensuring all students reach their individual potential to be responsible, compassionate, contributing citizens.

## School Vision Statement

Develop life-long learners and problem solvers who achieve success academically, socially and emotionally.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

Learning opportunities and experiences will be provided to all students that will strengthen their academic, social and emotional development to enable students to be successful in higher education and careers.

## District Vision Statement

The Chatom Union School District's staff is committed to providing a high-quality instructional program so every child has the opportunity to reach their fullest potential.

## Parental Involvement

Chatom students are most successful when parents and teachers work in a partnership to actively support student learning. During our monthly student-of-the-month assemblies, parents are invited to receive awards and congratulations along with their child. We strive to honor parents in their efforts to help their child value and become passionate about learning.

All parents are encouraged to become members of Chatom's Parent Teacher Club (PTC). The PTC hosts one major fundraiser each year, the Halloween Carnival. This event is widely supported by parents and community members. All three schools in the district enjoy a high level of parent participation and benefit greatly from the proceeds of this fundraiser. In addition, the PTC sponsors a Halloween Carnival, a Santa Breakfast, Fly It Day, Easter Egg Hunt and other activities for students.

The School Site Council (SSC) is a parent and staff collaboration that advises the categorical programs and produces a site plan for each school year. The English Learner Advisory Committee (ELAC) and the District English Learner Advisory Committee (DELAC) provide additional opportunities for parents of English learners to participate. Monthly Family Literacy nights invite parents to the school to learn how to support their children in becoming strategic, passionate, lifelong readers and writers. Parents may also participate in report-card conferences, classroom projects, field trips, Back to School night, Open House and be classroom volunteers.

For more information on how to become involved, please contact the Chatom Elementary School Principal Sara Cruz at (209) 664-8500.

## Enrollment by Student Group

The total enrollment at the school was 380 students for the 2021-22 school year. The pie chart displays the percentage of students enrolled in each group.

## School Safety

**Adequate lighting:** All classrooms have ample artificial light, in addition to natural light, that enables staff and students to conduct schoolwork in a safe manner.

**Backpack policies:** Students may utilize backpacks to carry textbooks and supplies to and from school and between classes. Students are encouraged to not overload their backpacks to keep weight at a safe level.

**Closed campus:** Students are not allowed to leave campus without a recognized parent or guardian. Parents and guardians are required to report to the school office and sign their child out before they leave campus.

**Crisis response procedures:** Staff and students practice monthly fire drills, quarterly lockdown drills and annual earthquake drills. School Emergency Response Procedures and Guidelines are available in all classrooms. Classrooms are stocked with crisis kits filled with emergency supplies such as handheld radios, flashlights, snacks, water and first-aid kits.

**Entries and exits:** All entries and exits are secure and supervised before and after school. Evacuation routes are posted in each classroom.

**Environmental design:** Site architectural plans note environmental design components.

**Graffiti removal and vandalism repair:** When graffiti is found (which is rare), it is painted over or cleaned off the same day.

**Hallways:** Hallways are monitored during breaks by staff. Procedures are in place for hallway behavior.

**Interagency information-sharing agreements:** The Chatom Union School District is a member of the Stanislaus County Emergency Operations Center (EOC).

**Lockers:** Lockers are not provided.

**Parking areas:** Parking lots are available for use by staff and parents. Parking lots are well-lit in the evening for safety. Parking for disabled persons is appropriately marked. Students cross the parking lot in marked crosswalks.

**Positive posters, bulletins and signs:** Displayed in classrooms, the library and the multipurpose room. Character development focused on instruction in monthly character traits through schoolwide morning announcements and recognition assemblies.

**Safe, clean restrooms and facilities:** The facilities, including the restrooms, are cleaned daily and are kept in good repair.

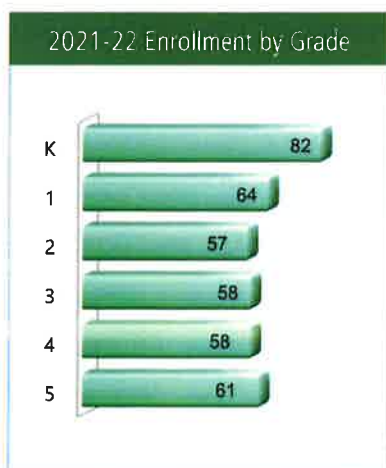

**Security, technology:** School facilities have operational fire-alarm systems that are checked for functionality monthly. Chatom Elementary School has an alarm system to help protect equipment and supplies during non-school hours and has a phone system that incorporates safety measures.

The safety plan will be formally revised with input from the District Safety Committee in February 2023.

## Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2021-22 school year.

## Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Types of Services Funded

In addition to the Local Control Funding Formula allocated to each site based on student and program enrollment, both sites also receive funding for Title II Teacher Quality, Title III English learner Student Program, Title V Rural & Low Income School Program, Lottery and After-School. Chatom Elementary School receives 100% of the district's Title I funding, and class size reduction exists in grades TK-3.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## Professional Development

Early dismissal occurs every Wednesday throughout the school year. Staff development takes place every Wednesday for 45 minutes or every other Wednesday for 90 minutes. Collaboration time and/or prep time is also scheduled for all teachers. Activities center on the new state standards and improving instruction and learning, with time for collaboration. In addition, teachers receive training from the county office in instructional strategies. The focus for all staff development is improving student learning and positive behavior with emphasis on meeting the needs of all students.

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively.

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

<b>Suspension rates</b>	6.1%	2.8%	2.5%			
<b>Expulsion rates</b>	0.0%	0.0%	0.1%			

Note: The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

## CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

Percentage of Students Meeting or Exceeding State Standard					Two-Year Data

Mathematics	*	33%	*	24%	*	33%

❖ Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

\* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

Textbooks are adopted by the district after a rigorous review and evaluation process. Teachers and administrators review the state-adopted textbooks, determining which series best meets the districts' needs. The adopted texts are of sufficient quality and quantity to meet the instructional needs of students. All students have a textbook issued to them at the start of the school year. Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks and state standards adopted by the State Board of Education.

A public hearing was held on September 13, 2022, where a resolution was passed stating that the Chatom Union School District has sufficient textbooks and instructional materials aligned to the academic content standards.

## School Facilities

Chatom Elementary School was built in 1958. In the summer of 2019, the multipurpose room underwent roof replacement, dry rot removal, new floor installation and painting. The classroom wings received dry rot removal, exterior painting and several classrooms received new carpet. In 2018, new desktop computers replaced older systems in the computer lab, one wing was reroofed, the K-2 blacktop was replaced, and the pedestrian walkway was completed. The multipurpose room was reroofed during the summer of 2014.

In 2021, the black top on the intermediate side of campus was replaced to expand our physical education program, and the HVAC system was replaced to increase and improve ventilation.

There are 26 classrooms, a multipurpose room, library, computer lab and rooms for each of the following: staff development/collaboration, after school CARE program, reading/writing intervention, speech therapy and resource.

The Chatom State Preschool and Chatom Union School District offices are also located on campus. Two full-time custodians, one part-time custodian and a maintenance staff member clean and maintain the grounds between the early morning and late night.

The Chatom Union School District is an After-School Education & Safety Program grantee.

Clear procedures to deal with emergencies are in place and routinely practiced. Staff members are trained regarding discipline policies.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfash201.asp>.
