PARENT NOTICE OF RIGHTS AND RESPONSIBILITIES

State law requires that parents or guardians be notified of their rights and responsibilities in certain matters pertaining to their children's education.

1. **Absence for Religious Exercises and Instruction:** Pupils may be excused, with written permission from a parent or guardian, in order to participate in religious exercises or receive moral and religious instruction away from school property. Every pupil so excused must attend at least the minimum school day. No pupil shall be excused from school for such purpose on more than four days per school month. (Ed. Code, § 46014)
2. **Comprehensive Sexual Health Education and HIV/AIDS Prevention Education:** A parent or guardian has the right to excuse their child from comprehensive sexual health education, HIV prevention education, and assessments related to that education. A parent or guardian who wishes to exercise this right must state their request in writing. (Ed. Code, § 51938) A parent or guardian may inspect the written and audiovisual educational materials used in comprehensive sexual health education and HIV/AIDS prevention education. Parents have a right to request that the District provide them with a copy of the California Healthy Youth Act. (Ed. Code, § 51930 et. seq.)

Parents or guardians shall be notified in writing if the District plans to administer an anonymous, voluntary and confidential test, questionnaire, or survey containing age-appropriate questions about the pupils' attitudes concerning or practices related to sex in grades 7 to 12 and given the opportunity to review the test, questionnaire, or survey. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey by stating their request in writing. (Ed. Code, § 51938)

Every child's parent will be notified prior to the commencement of any comprehensive sexual health education and HIV/AIDS prevention education instruction whether the instruction will be taught by District personnel or by outside consultants. If outside consultants or guest speakers are used, the notice shall include the date of the instruction, and the name of the organization or affiliation of each guest speaker will be identified. Parents have a right to request that the District provide them with a copy of Education Code sections 51933, 51934, and 51938. (Ed. Code, § 51938) If arrangements for instruction by outside consultants or guest speakers are made after the beginning of the school year, the Superintendent or designee shall notify parents/guardians no less than 14 days before instruction is given. (Ed. Code, § 51938)

3. **Excuse from Instruction in Health:** Upon written request of a parent or guardian, a pupil may be excused from any part of instruction in health which conflicts with the parent(s)' or guardian(s)' religious training or beliefs (including personal moral convictions). (Ed. Code, § 51240)
4. **Administration of Medication:** Medication prescribed by a physician or ordered by a physician assistant for a child may be administered during the school day by the school nurse or other designated school personnel, or self-administered by the child if the medication is prescription auto-injectable epinephrine or prescription inhaled asthma

medication, but only if the parent consents in writing and provides detailed written instructions from a physician, or a physician assistant as specified by law. In order for a child to carry and self-administer prescription auto-injectable epinephrine or prescription inhaled asthma medication, the physician or physician assistant must also provide a written statement detailing the name of the medication, method, amount, and time schedules by which the medication is to be taken, and confirming that the pupil is able to self-administer auto-injectable epinephrine or prescription inhaled asthma medication. Parents must also provide a release for the school nurse or designated school personnel to consult with the pupil's health care provider regarding questions that may arise with regard to the medication, and releasing the District and its personnel from civil liability if the self-administering pupil suffers an adverse reaction as a result of self-administering auto-injectable epinephrine or prescription inhaled asthma medication. The written statements specified in this section shall be provided at least annually and more frequently if the medication, dosage, frequency of administration, or reason for administration changes. Forms for administering medication may be obtained from the school secretary. (Ed. Code, §§ 49423, 49423.1, 49423.5)

5. **Students on Medication:** Parents are to notify the school nurse or other designated certificated school employee if their child is on a continuing medication regimen. This notification shall include the name of the medication being taken, the dosage, and the name of the supervising physician. With parental consent, the school nurse may confer with the physician regarding possible effects of the drug, including symptoms of adverse side effects, omission or overdose and counsel with school personnel as deemed appropriate. (Ed. Code, § 49480)

6. **Immunizations:** The District shall exclude from school any pupil who has not been immunized properly, unless the pupil is exempted from the immunization requirement pursuant to Chapter 1 (commencing with section 120325) of part 2 of division 105 of the Health and Safety Code. The immunization exemption based on personal beliefs has been eliminated. (Health & Saf. Code, § 120325) A student who, prior to January 1, 2016, submitted a letter or affidavit on file at the District, stating beliefs opposed to immunization, is permitted to enroll in that institution until the student enrolls in the next grade span. Grade span means: 1) birth to preschool; 2) kindergarten and grades 1 through 6, inclusive, including transitional kindergarten; and 3) grades 7 through 12, inclusive. On or after July 1, 2016, the District shall exclude from school for the first time or deny admittance or deny advancement to any student to the 7th grade unless the student has been immunized for his or her age as required by law. (Health & Saf. Code, § 120335) A student may still be exempted from the immunization requirement based on medical condition or circumstances. A licensed physician or surgeon must transmit a completed medical exemption certification form from the California Department of Public Health directly to the local educational agency and the California Immunization Registry. The standardized medical exemption form shall be the only documentation of a medical exemption that shall be accepted by the District. (Health & Saf. Code, §§ 120370, 120372)

A parent or guardian may consent in writing for a physician, surgeon, or health care practitioner acting under the direction of a supervising physician and surgeon to administer an immunizing agent to a pupil at school. The health care practitioner may administer immunizations for the prevention and control of diseases that present a current or potential outbreak as declared by a federal, state, or local public health officer. (Ed. Code, §§ 48216, 48980(a), 49403; Health & Saf. Code, §§ 120325, 120335)

7. **Physical Exams and Testing:** The District is required to conduct certain physical examinations and vision and hearing testing of students, unless the parent has a current written objection on file. However, the child may be sent home if he or she is believed to be suffering from a recognized contagious or infectious disease, and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist. (Ed. Code, §§ 49451, 49452, 49452.5, 49455; Health & Saf. Code, § 124085) The District may provide for scoliosis screening of every female student in grade 7 and every male student in grade 8. (Ed. Code, § 49452.5)
8. **Confidential Medical Services:** For students in grades 7 through 12, the District may release a student for the purpose of obtaining confidential medical services without obtaining the consent of the student's parent or guardian. (Ed. Code, § 46010.1)
9. **Medical Coverage for Injuries:** Medical and hospital services for pupils injured at school or school-sponsored events, or while being transported, may be insured at parent's expense. No pupil shall be compelled to accept such services without his or her consent or, if the pupil is a minor, without the consent of a parent or guardian. (Ed. Code, § 49472)
10. **Medical and Hospital Services Not Provided:** The District does not provide medical and hospital services for students injured while participating in athletic activities. However, all members of school athletic teams must have accidental injury insurance that covers medical and hospital expenses. (Ed. Code, §§ 32221.5, 49470, 49471)
11. **Mental Health Services:** The District shall notify pupils and parents or guardians no less than twice each school year of the steps to initiate access to available pupil mental health services on campus and/or in the community. (Ed. Code, § 49428) Contact the District Office Website or school site counselor to review available services and how to access or initiate the services.
12. **Services for Students with Exceptional Needs or a Disability:** State and federal law require that a free and appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. Students classified as individuals with exceptional needs for whom a special education placement is unavailable or inappropriate may receive services in a private nonsectarian school. Please contact the local director of special education for specific information. (Ed. Code, § 56040 et seq.) In addition, services are available for students who have a disability which interferes with their equal access to educational opportunities. (Section 504 of the Rehabilitation Act of 1973, 34 C.F.R. § 104.32) The District official listed

below is responsible for handling requests for services under Section 504 and may be reached at the following address and telephone:

Cherise Olvera, Superintendent
Chatom Union School District
7201 Clayton Road, Turlock, CA 95380

13. **No Academic Penalty for Excused Absence:** No pupil may have his or her grade reduced or lose academic credit for any absence or absences which are excused for the reasons specified below when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. (Ed. Code, §§ 48205, 48980(i))

A pupil shall be excused from school when the absence is:

- (a) Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.

- (c) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.

- (e) For the purpose of jury duty in the manner provided for by law.
- (f) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a doctor's note.
- (g) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
- (h) For the purpose of serving as a member of a precinct board for an election pursuant to section 12302 of the Elections Code.

- (i) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in section 49701 of the Education Code, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. A school administrator may permit additional absences pursuant to section 48260(c) of the Education Code.
- (m) Authorized at the discretion of a school administrator based on the facts of the pupil's circumstances, which are deemed to constitute a valid excuse, including, but not limited to, working for a period of not more than five consecutive days in the entertainment or allied industries if the pupil holds a work permit, or participating with a not-for-profit performing arts organization in a performance for a public school pupil audience for a maximum of up to five days per school year provided the pupil's parent or guardian provides a written note to the school authorities explaining the reason for the pupil's absence. (Ed. Code, §§ 48260, 48205, 48225.5)

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.

Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

A "civic or political event" includes, but is not limited to, voting, poll working, strikes, public commenting, candidate speeches, political or civic forums, and town halls. (Ed. Code, § 48205)

"Cultural" means relating to the habits, practices, beliefs, and traditions of a certain group of people. (Ed. Code, § 48205)

(209)664-8505

16. **Release of Student Information:** The District does not release information or records concerning a child to noneducational organizations or individuals without parent consent except by court order, receipt of a lawfully issued subpoena, or when otherwise allowed by law. The following categories of directory information may be made available to various persons, agencies or institutions unless the parent or guardian notifies the District in writing not to release such information:

Name, address, telephone, date of birth, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received, and most recent previous educational institution attended. (Ed. Code, §§ 49060 et seq., 49073; 20 U.S.C. § 1232g; 34 C.F.R. § 99.7) In accordance with state and federal law, the District may also make available photographs, videos, and class rosters.

Directory information will not be released regarding a pupil identified as a homeless child or youth unless a parent, or pupil accorded parental rights, has provided written consent that directory information may be released. (Ed. Code, § 49073(c); 20 U.S.C. § 1232g; 42 U.S.C. § 11434a(2))

17. **Information Obtained from Social Media:** A school district that considers a program to gather or maintain in its records any information obtained through social media of any enrolled student shall notify students and their parents or guardians about the proposed program and provide an opportunity for public comment at a regularly scheduled public meeting of the Governing Board of the school district. The notification shall include, but is not limited to, an explanation of the process by which a student or a student's parent or guardian may access the student's records to examine the information gathered or maintained, and an explanation of the process by which a student or student's parent or guardian may request the removal of information or make corrections to information gathered or maintained. (Ed. Code, § 49073.6)
18. **Inspection of Student Records:** State law requires that the District notify parents of the following rights which pertain to student records. (Ed. Code, §§ 49063, 49069.7; 34 C.F.R. § 99.7)
- (a) A parent or guardian has the right to inspect and review student records relating directly to his or her child during school hours or obtain a copy of such records within five (5) business days of his/her request.
 - (b) Any parent who wishes to review the types of student records and information contained therein may do so by contacting the principal at his/her child's school. The principal of each school is ultimately responsible for maintenance of student records.
 - (c) A parent with legal custody has a right to challenge information contained in his/her child's records. Any determination to expunge a student's record is made after a review of said record(s) by site administrators and certificated staff. Following an inspection and review of student records, the parent may challenge the content of the student's record. The right to challenge becomes the sole right of the student when the student becomes eighteen (18) years of age.
 - (d) A parent or guardian has the right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent disclosure is authorized without consent.

A parent may file a written request with the Superintendent of the District to remove any information recorded in the written records concerning the child which is alleged to be:

- (i) Inaccurate.
- (ii) An unsubstantiated personal conclusion or inference.
- (iii) A conclusion or inference outside of the observer's area of competence.
- (iv) Not based on the personal observation of a named person with the time and place of the observation noted.
- (v) Misleading.

- (vi) In violation of the privacy or other rights of the pupil.

Within thirty (30) days, the Superintendent or designee shall meet with the parent/guardian and the certificated employee who recorded the information, if any, and if the person is still employed with the District, and sustain or deny the allegations. If the allegations are sustained, the Superintendent shall order the correction, removal or destruction of the information. If the Superintendent denies the allegations, the parent may appeal the decision to the Governing Board within thirty (30) days. The Board shall determine whether or not to sustain or deny the allegations. If the Board sustains the allegations, it shall order the Superintendent to immediately correct, remove or destroy the information from the written records of the student. (Ed. Code, § 49070)

If the final decision of the Board is unfavorable to the parents, or if the parent accepts an unfavorable decision by the District Superintendent, the parent shall have the right to submit a written statement of objections to the information. This statement shall become a part of the student's school record until such time as the information objected to is removed.

Both the Superintendent and the Board have the option of appointing a hearing panel in accordance with Education Code sections 49070-49071 to assist in the decision making. The decision as to whether a hearing panel is to be used shall be made at the discretion of the Superintendent or the Board and not of the challenging party.

- (e) A Student Records Log is maintained for each student. The Student Records Log lists persons, agencies or organizations requesting and/or receiving information from the records and the legitimate interests therefor to the extent required by law. Student Records Logs are located at each school and are open to inspection by parents or guardians. (Ed. Code, § 49064)
- (f) School officials and employees having a legitimate educational interest, as well as persons identified in Education Code sections 49076 and 49076.5 and in the Family Educational Rights and Privacy Act, may access student records without first obtaining parental consent. "School officials and employees" are persons employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and District-employed law enforcement personnel), a Board member, a person or company with whom the District has contracted to perform a special service (such as an attorney, auditor, medical consultant, or therapist), or a parent, student, foster family agency, short-term residential treatment staff, or caregiver whose access to student records is legally authorized. A "legitimate educational interest" is one held by a school official or employee whose duties and responsibilities create a reasonable need for access. (Ed. Code, §§ 49063(d), 49076, 49076.5; 20 U.S.C. § 1232g)
- (g) Parents and guardians have the right to authorize the release of student records to themselves. Only parents and guardians with legal custody can authorize the release of student records to others.

- (h) Parents and guardians will be charged twenty-five (.25) cents per page for the reproduction of student records.
 - (i) Parents have a right to file a complaint with the U.S. Department of Education for alleged violations of parent rights related to student records. (20 U.S.C. § 1232g(g))
 - (j) Parents may obtain a copy of the District's complete student records policy by contacting the Superintendent.
19. **Family Educational Rights and Privacy Act:** Parents have certain rights regarding student information and records which are guaranteed under federal law. A handout notifying parents of these rights is attached.
20. **Student Discipline:** District and school rules pertaining to student discipline are available to parents or guardians of district students in the school office. (Ed. Code, § 35291) Students may be subject to discipline for off-campus misconduct if the misconduct is related to school activity or attendance and causes or is reasonably likely to cause a substantial disruption to school activity. For example, a student using technology such as a home computer, cellular phone, or other electronic device may be disciplined for bullying, engaging in unlawful harassment, or making threats against students, staff, or district property even if such misconduct occurred off-campus and during non-school hours. (Ed. Code, § 48900(r))
21. **Dissection of Animals:** If a student has a moral objection to dissecting (or otherwise harming or destroying) animals, or any part of an animal, the pupil must notify the teacher regarding such objection, and the objection must be substantiated with a note from the pupil's parent or guardian. If the pupil chooses to refrain from participating in such a project or test, and if the teacher believes that an adequate alternative education project or test is possible, then the teacher may work with the pupil to develop and agree upon an alternate education project or test for the purpose of providing the pupil an alternate avenue for obtaining the knowledge, information or experience required by the course of study. No student shall be discriminated against based upon his or her decision to exercise his or her rights under this section. (Ed. Code, §§ 32255-32255.6)
22. **Temporary Disability:** A temporary disability which makes it impossible or inadvisable for a student to attend class may entitle the student to receive individualized instruction. It is the responsibility of the pupil's parent or guardian to notify the school district in which the pupil is deemed to reside of the pupil's need for individualized instruction.

Home Instruction: The district in which the student resides is to provide individual instruction if the student is receiving the instruction in his or her home. Individual instruction in a pupil's home pursuant to Education Code section 48206.3 shall commence no later than five working days after a school district has determined that the pupil shall receive this instruction.

Hospital or Health Facility Instruction: The school district in which the hospital or other residential health facility, excluding a state hospital, is located must provide individual

instruction to a student with a temporary disability. Within five working days of receipt of the notification, the district must determine whether the pupil will be able to receive individual instruction, and, if so, when the individual instruction will begin. Individual instruction will commence no later than five working days after a positive determination has been rendered. A student with a temporary disability who is in a hospital or other residential health facility, other than a state hospital, which is located outside the student's school district of residence shall be deemed to comply with the residency requirements of the school district in which the hospital is located. A school district may continue to enroll a pupil with a temporary disability who is receiving individual instruction in a hospital or residential health facility to facilitate the timely reentry of the pupil in his or her prior school after the hospitalization has ended, or in order to provide a partial week of instruction. On days in which the student is not receiving individual instruction in a hospital or other residential health facility, he or she may attend school in his or her district of residence if well enough to do so. A pupil receiving individual instruction who is well enough to return to a school shall be allowed to return to the school, including a charter school, that he or she attended immediately before receiving individual instruction, if returning during the same school year. (Ed. Code, §§ 48206.3, 48207, 48207.3, 48207.5, 48208, 48980(b))

Pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom shall be treated in the same manner and under the same policies as any other temporary disabling condition. (Ed. Code, § 221.51)

23. **Student Residency:** A student may be enrolled in the District if (1) the student's parent, legal guardian or other person having control and charge of the student resides in the District (Ed. Code, § 48200); (2) the District has approved interdistrict attendance (Ed. Code, § 46600); (3) the student is placed in a regularly established children's institution, licensed foster home, or family home; (4) the student is a foster child who remains in his or her school of origin pursuant to Education Code section 48853.5(f) and (g); (5) the student is emancipated and lives within the District; (6) the student lives in the home of an adult who has submitted a caregiver affidavit; (7) the student resides in a state hospital within the District; or (8) the student's parent or legal guardian resides outside of the boundaries of the school district but is employed and lives with the student at the place of his/her employment within the school district boundaries for a minimum of three days during the school week. (Ed. Code, § 48204) The law allows, but does not require, a district to accept a student for enrollment where at least one parent or legal guardian of the student is physically employed within the district's boundaries for a minimum of 10 hours during the school week. (Ed. Code, § 48204) A student also complies with the residency requirements for school attendance in a school district if he or she is a student whose parent is transferred or pending transfer to a military installation within the state while on active duty pursuant to an official military order. However, the parent must provide proof of residence in the school district within ten (10) days after the published arrival date provided on official documentation. (Ed. Code, § 48204.3) A student also complies with the residency requirement if the student's parent/guardians were residents of the state but departed California against their will if the student provides official documentation evidencing the departure of her/his parent/guardians against their will; that the student moved outside of California as a result of her/his parent/guardians

departing California against their will; and that the student lived and was enrolled in school in California immediately before moving outside of California. (Ed. Code, § 48204.4)

24. **Attendance Options:** Students who attend schools other than those assigned by the District are referred to as “transfer students” throughout this notification. There is one process for choosing a school within the District which the parent lives (intradistrict transfer), and three separate processes for selecting schools in other districts (interdistrict transfer). (Ed. Code, § 48980(h))

Attached is a copy of the District’s Policy on Interdistrict and Intradistrict Transfers. Parents interested in interdistrict or intradistrict transfers should contact Chatom Union School District. The general requirements and limitations of each process are described as follows:

- (a) Choosing a School Within the District in Which Parent Lives: Education Code section 35160.5(b) requires the school board of each district to establish a policy that allows parents to choose the schools their children will attend, regardless of where the parent lives in the district. The law limits choice within a school district as follows:
- Students who live in the attendance area of a school must be given priority to attend that school over students who do not live in the school’s attendance area.
 - In cases in which there are more requests to attend a school than there are openings, the selection process must be “random and unbiased,” which generally means students must be selected through a lottery process rather than on a first-come, first-served basis. A district cannot use a student’s academic or athletic performance as a reason to accept or reject a transfer. However, a district may consider special circumstances that might be harmful or dangerous to a particular pupil in the current attendance area of the pupil, including physical threats of bodily harm or threats to the emotional stability of the pupil documented by a state or local agency, licensed or registered professional, or court order.
 - Each district must decide the number of openings at each school which can be filled by transfer students. Each district also has the authority to keep appropriate racial and ethnic balances among its schools, meaning that a district can deny a transfer request if it would upset this balance or would leave the district out of compliance with a court-ordered or voluntary desegregation program.
 - A district is not required to provide transportation assistance to a student who transfers to another school in the district under these provisions.

- If a transfer is denied, a parent does not have an automatic right to appeal the decision. A district may, however, voluntarily decide to put in place a process for parents to appeal a decision.
 - Victims of Bullying: A school district of residence must approve an intradistrict transfer request for a victim of an act of bullying unless the requested school is at maximum capacity, in which case the district must accept an intradistrict transfer request for a different school within the district. A school district of residence may not prohibit the interdistrict transfer of a victim of an act of bullying if there is no available school for an intradistrict transfer and if the school district of proposed enrollment approves the transfer application. (Ed. Code, § 46600)
 - A school district of proposed enrollment shall ensure that pupils admitted under this law are selected through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether a pupil should be enrolled based on academic or athletic performance, physical condition, English proficiency, family income, or any of the individual characteristics set forth in Education Code section 220, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status.
- (b) Choosing a School Outside the District in Which Parent Lives: Parents have two different options for choosing a school outside the district in which they live. The two options are:
- (i) Interdistrict Transfers (Ed. Code, §§ 46600–46610): The law allows two or more districts to enter into an agreement for the transfer of one or more students for a period of up to five years. New agreements may be entered into for additional periods of up to five years each. The agreement must specify the terms and conditions under which transfers are permitted. The law on interdistrict transfers also provides for the following:
 - Once a pupil is enrolled in a school pursuant to an interdistrict transfer agreement, the pupil must be allowed to continue to attend the school in which he or she is enrolled without reapplying, unless revocation of the interdistrict transfer is a term and condition of the agreement between the districts; however, a district must not rescind existing transfer permits for pupils entering grade 11 or 12 in the subsequent school year.
 - Upon request, a pupil determined to be the victim of an act of bullying by a pupil of the district of residence must be given priority for interdistrict attendance under any existing interdistrict attendance agreement or additional consideration for the creation of an interdistrict attendance agreement. (Ed. Code, §§ 46600(b), 48900(r))

- If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision.
- A school district of residence shall not prohibit the transfer of a student who is a homeless child or youth, a current or former migratory child, a foster youth, the victim of an act of bullying, or a child of an active military duty parent to a school district of proposed enrollment if the school district of proposed enrollment approves the transfer application.
- If a pupil is a victim of an act of bullying and his or her school district of residence has only one school offering his or her grade level, such that there is no option for an intradistrict transfer, the pupil may apply for an interdistrict transfer, and the school district of residence shall not prohibit the transfer if the school district of proposed enrollment approves the application for transfer. (Ed. Code, § 46600)
- A school district that elects to accept an interdistrict transfer pursuant to this subdivision shall accept all pupils who apply to transfer under this subdivision until the school district is at maximum capacity and shall ensure that pupils admitted under this subdivision are selected through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a pupil should be enrolled based on his or her academic, performance, athletic performance, physical condition, proficiency in English, family income, actual or perceived characteristics, such as disability (mental and physical), gender (includes gender identity, gender expression, and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth), actual or potential parental, family, or marital status, pregnancy (including childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), nationality (includes citizenship, country of origin and national origin), immigration status, race or ethnicity (includes ancestry, color, ethnic group identification and ethnic background), religion (includes all aspects of religious belief, observance and practice, including agnosticism and atheism), sexual orientation (heterosexuality, homosexuality or bisexuality), or association with a person or group with one or more of these actual or perceived characteristics. (Ed. Code, § 46600)
- Upon request of the parent on behalf of a pupil eligible for transfer pursuant to this subdivision, a school district of enrollment will

provide transportation assistance to a pupil who is eligible for free or reduced-price meals. (Ed. Code, § 46600)

- A school district of enrollment may provide transportation assistance to any pupil admitted under this subdivision. (Ed. Code, § 46600(d))

(ii) “Allen Bill” Transfers (Ed. Code, § 48204(b)): The law allows, but does not require, each school district to adopt a policy whereby the student may be considered a resident of the school district in which his/her parents (or legal guardian(s)) physically work for a minimum of 10 hours during the school week if that is different from the school district in which the student resides. This code section does not require that a school district accept a student requesting a transfer on this basis, but a student may not be rejected on the basis of race/ethnicity, sex, parental income, academic achievement, or any other “arbitrary” consideration. Other provisions of Education Code section 48204(b) include:

- Either the district in which the parent (or legal guardian) lives or the district in which the parent (or legal guardian) physically works may prohibit the student’s transfer if it is determined that there would be a negative impact on the district’s desegregation plan.
- The district in which the parent (or legal guardian) physically works may reject a transfer if it determines that the cost of educating the student would be more than the amount of state funds the district would receive for educating the student.
- There are set limits (based on total enrollment) on the net numbers of students that may transfer out of a district under this law, unless the district approves a greater number of transfers.
- There is no required appeal process for a transfer that is denied. However, the district that declines to admit a student is encouraged to provide in writing to the parent the specific reasons for denying the transfer.

(c) Districts of Choice (Ed. Code, §§ 48300-48317): The law allows, but does not require, each school district to become a “district of choice”—that is, a district that accepts transfer students from outside the district under the terms of the referenced Education Code sections. The school board of a district that decides to become a “district of choice” must determine the number of students it is willing to accept in this category each year and make sure that the students are selected through an “unbiased process,” which prohibits district inquiries, evaluations, or consideration of enrollment based upon actual or perceived academic or athletic performance, physical condition, proficiency in English, any other personal characteristic as specified in Education Code section 200, and family income

(except for purposes of determining attendance priority for students eligible for free or reduced-price meals). If the number of transfer applications exceeds the number of students the school board elects to accept, transfer approval must be determined by a random public drawing held at a regular board meeting. Other provisions of the “district of choice” option include:

- A school district of residence may deny a transfer if it will negatively affect the racial and ethnic balance of the district, or a court-ordered or voluntary desegregation plan. The district a student would be leaving may also limit the total number of students transferring out of the district each year to a specified percentage of its total enrollment, depending on the size of the district.
- A school district of residence shall not prohibit the transfer of a student who is a child of an active military duty parent or adopt policies to block or discourage students from applying for transfer to a school district of choice.
- No student who currently attends a school or lives within the attendance area of a school can be forced out of that school to make room for a student transferring under these provisions.
- A school district of choice must give priority for attendance in the following order: 1) to siblings of students already attending school in the district; 2) to students eligible for free or reduced-price meals; and 3) to children of military personnel.
- A school district of choice must post application information on its Internet Website, including any applicable form, transfer timeline, and explanation of the selection process.
- A parent may request transportation assistance within the boundaries of the “district of choice.” The district is required to provide transportation only to the extent it already does so.

25. **Sexual Harassment Policy:** Each student will receive a written copy of the district policy on sexual harassment. The purpose of this policy is to provide notification of the **prohibition** against sexual harassment as a form of sexual discrimination and to provide notification of available remedies. A copy of the District’s policy on sexual harassment is attached. (Ed. Code, §§ 231.5, 48980(f))

26. **Notice of Alternative Schools:** California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

- (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
- (b) Recognize that the best learning takes place when the student learns because of the student's desire to learn.
- (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his or her own time to follow his or her own interests. These interests may be conceived by the student totally and independently or may result in whole or in part from a presentation by the student's teachers of choices of learning projects.
- (d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.
- (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to, the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for parent information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. (Ed. Code, § 58501)

- 27. **Nutrition Program:** The State Department of Education has established a statewide program to provide nutritious meals and milk at school for pupils, and to provide free meals to the neediest children. In some instances, nominal cash payments may be required. (Ed. Code, § 49510 et seq.)
- 28. **Leaving School Grounds:** The Chatom Union School District is a closed campus.
- 29. **U.S. Department of Education Programs:** The following applies only to programs directly funded by the U.S. Department of Education:

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey, analysis, or evaluation shall be available for inspection by the parents or guardians of the children.

No student shall be required, as part of any applicable U.S. Department of Education funded program, to submit to a survey, analysis, or evaluation that reveals information concerning:

- (a) political affiliations or beliefs of the student or student's parents;

- (b) mental and psychological problems of the student or his/her family;
- (c) sex behavior or attitudes;
- (d) illegal, anti-social, self-incriminating or demeaning behavior;
- (e) critical appraisals of other individuals with whom respondents have close family relationships;
- (f) legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- (g) religious practices, affiliations, or beliefs of the student or student's parent; or
- (h) income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program)

without the prior consent of the student (if the student is an adult or emancipated minor), or in the case of an unemancipated minor, without the prior written consent of the parent. (20 U.S.C. § 1232h)

30. **Uniform Complaint Procedures:**

Complaints Alleging Discrimination, Harassment, Intimidation, and Bullying:

State and federal law prohibit discrimination in education programs and activities. The District is primarily responsible for compliance with federal and state laws and regulations. (Cal. Code Regs., tit. 5, § 4620.)

Under state law, all pupils have the right to attend classes on school campuses that are safe, secure, and peaceful. (Ed. Code, § 32261) State law requires school districts to afford all pupils equal rights and opportunities in education, regardless of their actual or perceived characteristics, such as disability (mental and physical), gender (includes gender identity, gender expression, and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth), actual or potential parental, family, or marital status, pregnancy (including childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), nationality (includes citizenship, country of origin and national origin), immigration status, race or ethnicity (includes ancestry, color, ethnic group identification and ethnic background), religion (includes all aspects of religious belief, observance and practice, including agnosticism and atheism), sexual orientation (heterosexuality, homosexuality or bisexuality), or association with a person or group with one or more of these actual or perceived characteristics. (Ed. Code, §§ 210-214, 220 et seq., 234 et seq.; Cal. Code Regs., tit. 5, § 4900 et seq.; 20 U.S.C. § 1681 et seq.; 29 U.S.C. § 794; 42 U.S.C. § 2000d et seq.; 42 U.S.C. § 12101 et seq.; 34 C.F.R. § 106.9) The District prohibits discrimination, harassment, intimidation, bullying, and retaliation in all acts related to school activity or attendance. In addition to being the subject of a complaint, a pupil engaging in an act of

bullying as defined by Education Code section 48900(r) may be suspended from school or recommended for expulsion.

The District's Uniform Complaint Procedures may be used in cases where individuals or a group have suffered discrimination, harassment, intimidation, or bullying. (Cal. Code Regs., tit. 5, §§ 4610, 4630, 4650; Ed. Code, §§ 234 et seq., 48900(r))

Extensions will not be automatically granted, but may be granted for good cause. (Cal. Code Regs., tit. 5, § 4630(b))

41. **Children in Homeless/Foster Care Situations, Former Juvenile Court School Students, Migrant Students, and Newcomers:** Each local district shall designate a staff person as a liaison for homeless children who shall ensure the dissemination of public notice of the educational rights of students in homeless situations. (Ed. Code, § 48852.5; 42 U.S.C. § 11432(g)(1)(J)(ii)) The District's liaison is the Superintendent and can be contacted at (209)664-8505 Ext. 1.

A homeless child will be allowed to continue his/her education in their school of origin through the duration of homelessness at the point of any change or any subsequent change in residence once a child becomes a homeless child. If the child's status changes before the end of the academic year so that he/she is not homeless, the District will allow a child in high school to continue his/her education in the school of origin through graduation. For a child in grades K through 8, the District will allow the formerly homeless child to continue his/her education in the school of origin until the end of the academic school year. A homeless child transitioning between school grade levels will be allowed to continue in the school district of origin in the same attendance area. If a homeless child is transitioning to a middle or high school where the school designated for matriculation is in another school district, the homeless child must be allowed to continue to the school designated for matriculation in that school district. The new school will be required to enroll the child immediately regardless of any outstanding fees, fines, textbooks or other items or moneys due to the school last attended or if the child is unable to produce clothing or records normally required for enrollment, including academic records, medical records, proof of immunization history, proof of residency, other documentation, or school uniforms. (Ed. Code, § 48852.7)

The District has designated the Superintendent as the educational liaison for foster children and can be contacted at (209)664-8505 Ext. 1. The educational liaison will disseminate a standardized notice to foster children that has been developed by the State Department of Education and includes complaint process information. (Ed. Code, § 48853.5)

A foster child shall be allowed to continue his/her education in the school of origin under specified circumstances. If it is determined that it is in the best interests of the foster child to transfer to a school other than the school of origin, the foster child shall immediately be enrolled in the new school, regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended or if the child is unable to produce clothing or records normally required for enrollment, including academic records, medical records, immunization history, proof of residency, other documentation, or

school uniforms. The last school attended must provide all records to the new school within two business days of receiving the request. (Ed. Code, §§ 48853, 48853.5)

Upon receiving a transfer request or notification of a student in foster care, the District shall, within two business days, transfer the student out of school and deliver the educational information and records to the next educational placement. Grades and credits will be calculated as of the day the student left school and no lowering of grades will occur as a result of the student's absence due to the decision to change placement or for a verified court appearance or related court activity. (Ed. Code, § 49069.5)

The District shall exempt from local graduation requirements a student who is in foster care, a homeless child or youth, a child of a military family, a former juvenile court school student, a migratory child, or a pupil participating in a newcomer program for recently arrived immigrant pupils and who transfers between schools under certain circumstances. (Ed. Code, §§ 51225.1, 51225.2)

The District shall accept coursework done by a student who is in foster care, a homeless child or youth, a child of a military family, a former juvenile court school student, a migratory child, or a pupil in a newcomer program while attending another school. The District will not require those students to retake courses or partial courses they have satisfactorily completed elsewhere. (Ed. Code, § 51225.2)

A complaint of noncompliance alleging violations of these sections, except for Education Code section 48852.7, may be filed under the District's Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations.

42. **Continued Education Options For Juvenile Court School Students:** A juvenile court school student, or the person holding the right to make educational decisions for the student, may voluntarily defer or decline issuance of their diploma until after the student is released from the juvenile detention facility, thereby allowing the student to take additional coursework at a local education agency. The county office of education will notify the student, the person holding to right to make educational decisions for the student, and the student's social worker or probation officer of all of the following:
- (a) The student's right to a diploma;
 - (b) How taking coursework and meeting other educational requirements will affect the student's ability to gain admission to a post-secondary educational institution;
 - (c) Information about transfer opportunities available through the California Community Colleges; and
 - (d) The option to defer or decline the diploma and take additional coursework. (Ed. Code, §§ 48645.3(a), 48645.7)
43. **Sex Equity In Career Planning:** Parents shall be notified in advance of career counseling and course selection commencing with course selection in Grade 7, to

promote sex equity and allow parents to participate in counseling sessions and decisions. (Ed. Code, § 221.5(d))

44. **Pesticide Products:** All schools are required to provide parents or guardians with annual written notice of expected pesticide use at schools. The attached list provides the name of each pesticide product, the active ingredient(s) and the Internet address for further information. Parents or guardians may request prior notice of individual pesticide applications at the school. If a parent wishes to be notified every time a pesticide is going to be applied, he or she must complete the attached form and return it to his or her child's school. A copy of the integrated pest management plan for the school site or District may be provided on the school website or viewed at the school office. (Ed. Code, §§ 48980.3, 17611.5, 17612)
45. **Pregnant and Parenting Pupils:** Pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. "Pregnant or parenting pupil" means a pupil who gives or expects to give birth or a parenting pupil who has not given birth and who identifies as the parent of the infant.

A pregnant or parenting pupil is entitled to eight weeks of parental leave. This leave may be taken before the birth of the pupil's infant if there is a medical necessity and/or after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. A pregnant or parenting pupil is entitled to additional leave if deemed medically necessary by the student's physician. (Ed. Code, § 46015)

The person holding the student's educational rights (i.e. the pupil if over 18 or the parent if under 18) may notify the school of the student's intent to exercise this right. Leave may still be taken even if notice was not provided.

During the leave, the student's absences shall be deemed excused and the student shall not be required to complete academic work or other school requirements.

A pregnant or parenting pupil may return to the school and the course of study in which he or she was enrolled before taking parental leave. Upon return to school after taking parental leave, a pregnant or parenting pupil is entitled to opportunities to make up work missed during his or her leave, including, but not limited to, makeup work plans and reenrollment in courses.

A pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the school in which the pupil was previously enrolled when it is necessary in order for the pupil to be able to complete state and any local graduation requirements, unless the local educational agency makes a finding that the pupil is reasonably able to complete its graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

A student who chooses not to return to the school in which he or she was enrolled before taking the leave is entitled to alternative education options offered by the local

educational agency to include educational programs, activities, and courses equal to those he or she would have been in if participating in the regular education program.

A student will not incur any academic penalties as a result of using the accommodations in this section. (Ed. Code, § 46015)

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures in accordance with Title 5 of the California Code of Regulations.

46. **Student Parent Lactation Accommodations:** The District is required to provide reasonable accommodations to a lactating student on a school campus to address breastfeeding needs. (Ed. Code, § 222)

A student may not be penalized academically because of the reasonable accommodations provided during the school day. A student must also be given the opportunity to make up missed work.

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations.

47. **PE Instructional Minutes:** The adopted course of study for grades 1 through 6 and instruction in grades 1 through 8 in an elementary school includes physical education for not less than 200 minutes each ten school days, exclusive of recesses and the lunch period. (Ed. Code, §§ 51210, 51223)

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations.

48. **Course Assignments:** The District is prohibited from assigning a student enrolled in any of grades 9 through 12 to any course period without educational content for more than one week in any semester, except under specified conditions. Under no circumstances will the District assign a student enrolled in any of grades 9 through 12 to a course period without educational content because there are not sufficient curricular course offerings for the student to take during the relevant period of the designated school day. (Ed. Code, § 51228.1)

The District is prohibited from assigning a student enrolled in grades 9 through 12 to a course that the student has previously completed and received a grade determined by the District to be sufficient to satisfy the requirements and prerequisites for admission to the California public post-secondary schools and the minimum high school graduation requirements, except under specified conditions. Under no circumstances will the District assign a student enrolled in any of grades 9 through 12 to a course the student has previously completed and received a sufficient grade, as specified, because there are not sufficient curricular course offerings for the student to take during the relevant period of the designated school day. (Ed. Code, § 51228.2)

These sections do not apply to students in alternative schools, community day schools, continuation high schools or an opportunity school. The District may continue to

authorize dual enrollment in community college, to run evening high school programs, and to offer independent study, work experience education, and other specified courses.

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures and Title 5 of the California Code of Regulations. (Ed. Code, § 51228.3)

49. **Regional Occupational Centers and Programs/County Offices of Education Programs/Adult Education Programs:** A regional occupational center or program, county office of education program, or adult education program must meet specified requirements for certification by the Superintendent of Public Instruction in order to provide an employment training program for adults or to authorize an education program beyond secondary education that leads to a degree or certificate. (Ed. Code, § 52334.7)

A complaint alleging that a local agency violated federal or state laws or regulations governing adult education programs under Education Code section 52501 or regional occupational centers and programs may be filed under the District's Uniform Complaint Procedures and Title 5 of the California Code of Regulations. A complaint alleging that a county office of education violated federal or state laws or regulations governing the county office's participation in any student financial assistance program authorized by Title IV may also be filed under the Uniform Complaint Procedures and Title 5 of the California Code of Regulations.

50. **Pupil Fees:** A pupil enrolled in a public school will not be required to pay a pupil fee for participation in an educational activity. (Ed. Code, § 49011)

- (a) The following requirements apply to prohibited pupil fees:
- (i) All supplies, materials, and equipment needed to participate in educational activities must be provided to pupils free of charge.
 - (ii) A fee waiver policy shall not make a pupil fee permissible.
 - (iii) The District and its schools shall not establish a two-tier educational system by requiring a minimal educational standard and also offering a second, higher educational standard that pupils may only obtain through payment of a fee or purchase of additional supplies that the school district or school does not provide.
 - (iv) The District and its schools shall not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a pupil or a pupil's parents or guardians, and the District and its schools shall not remove course credit or privileges related to educational activities, or otherwise discriminate against a pupil, because the pupil or the pupil's parents or guardians did not or will not provide money or donations of goods or services to the District or school.
- (b) Solicitation of voluntary donations of funds or property and voluntary participation in fundraising activities are not prohibited. The District and its

schools are not prohibited from providing pupils prizes or other recognition for voluntarily participating in fundraising activities. (Ed. Code, § 49010 et seq.)

A complaint of noncompliance may be filed under the District's Uniform Complaint Procedures and Title 5 of the California Code of Regulations. (Ed. Code, § 49013)

51. **Safe Storage of Firearms:** The District is required to provide parents notice of California's child access prevention laws and laws relating to the safe storage of firearms. The District has attached a memorandum describing such laws. (Ed. C, § 48986, 49392)

Firearms Safety Memorandum

To: Parents and Guardians of Students in the **Chatom Union School District**

From: **Cherise Olvera, Superintendent**

Subject: **California Law Regarding Safe Storage of Firearms**

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **Chatom Union School District** of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; **or** (3) unlawfully brandishes the firearm to others.¹
 - **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.²

¹ See California Penal Code sections 25100-25125 and 25200-25220.

² See California Penal Code section 25100(c).

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.⁴

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

Cherise Olvera
Superintendent

Notification of Rights Under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

(1) The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise the parent or eligible student of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

In addition, the Student Aid Commission may have access to the grade point average (GPA) of all district students in grade 12 and, when required, verification of high school

graduation or its equivalent of all students who graduated in the prior academic year, for use in the Cal Grant postsecondary financial aid program. However, such information shall not be submitted when a student, or his or her parent or guardian if the student is under 18 years of age, “opts out” or is permitted by the rules of the Student Aid Commission to provide test scores in lieu of his or her GPA. (Ed. Code, §§ 69432.9, 69432.92) No later than January 1 each year, the Superintendent or designee shall notify each student in grade 11, and the student’s parents/guardians if the student is under 18 years of age, that the student’s GPA will be forwarded to the Student Aid Commission by October 1 unless the student opts out within a period of time specified in the notice, which shall not be less than 30 days. (Ed. Code, § 69432.9)

The School will make a reasonable attempt to notify the parent or eligible student of a records request by officials of another school district in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

STUDENTS

Interdistrict Attendance Agreements

The Superintendent or designee may approve interdistrict agreements for the following reasons:

1. To meet the child care needs of the student. Once a student has been admitted to a district school or feeder elementary schools on the basis of child care needs, continued attendance may be denied only when based on restrictions specified in Education Code 48204.
2. To meet a child's special mental or physical health needs, as certified by a physician, school psychologist or other appropriate school personnel, in an educational program not offered in the district of residency.
3. When the student has brother(s) or sister(s) attending school in a receiving district, to avoid splitting the family's attendance.
4. To complete a school year when parents/guardians have moved out of the district during that year.
5. To allow students to remain with a class graduating that year from an elementary, junior or senior high school.
6. When the parent/guardian provides written evidence that the family will be moving to the receiving district in the immediate future and would like the student to start the year in that district.
7. When the student will be living out of the district only for one year or less.
8. When recommended by the School Attendance Review Board or by county child welfare, probation or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.
9. When there is a valid interest in a particular educational program not offered in the district of residency.

Interdistrict attendance agreements or applications shall not be required for students enrolling in an ROC or ROP program.

A student's interdistrict agreement may be revoked because of excessive truancy or continual disruption of the educational program.

Your Child Has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the student’s parents or guardians.
- In California:
 - a) All children have the right to a free public education.
 - b) All children ages 6 to 18 years must be enrolled in school.
 - c) All students and staff have the right to attend safe, secure, and peaceful schools.
 - d) All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - e) All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy,

and let you know of your option to refuse release of your child's information in the directory.

Family Safety Plans If You Are Detained or Deported

- You have the option to provide your child's school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported.
- You have the option to complete a Caregiver's Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

- Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

**Model Notification of Rights Under the Protection of
Pupil Rights Amendment (PPRA)**

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right for parents of minor students to:

- A. Consent before students are required to submit a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):
 - 1. Political affiliations or beliefs of the student or student’s parent;
 - 2. Mental or psychological problems of the student or student’s family;
 - 3. Sex behavior or attitudes;
 - 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 - 5. Critical appraisals of others with whom respondents have close family relationships;
 - 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 - 7. Religious practices, affiliations, or beliefs of the student or parents; or
 - 8. Income, other than as required by law to determine program eligibility.

- B. Receive notice and an opportunity to opt a student out of:
 - 1. Any other protected information survey, regardless of funding;
 - 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screening, or any physical exam or screening permitted or required under State law; and
 - 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

- C. Inspect, upon request and before administration or use:
 - 1. Protected information surveys of students;

2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the education curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

The District has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The Chatom Union School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. The Chatom Union School District will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. The Chatom Union School District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. The following is a list of the specific activities and surveys covered under this requirement:

1. Collection, disclosure, or use of personal information for marketing, sales or other distribution.
2. Administration of any unprotected information survey not funded in whole or in part by the Department of Education.
3. Any non-emergency, invasive physical examination or screening as described above.

CHILD ABUSE REPORTING GUIDELINES AND PROCEDURES

The following information will assist parents and guardians in determining whether or not child abuse has occurred and, if so, how to file a complaint of child abuse with local law enforcement. This information has been taken from the California Child Abuse and Neglect Reporting Act in the California Penal Code and from sections of the California Education Code.

Child Abuse Can Be Any of the Following:

1. A physical injury which is inflicted on a child by another person other than by accidental means.
2. The sexual abuse, assault, or exploitation of a child, such as:
 - a. The negligent treatment or maltreatment of a child by a person responsible for the child's welfare under circumstances indicating harm or threatened harm to the child's health or welfare, whether the harm or threatened harm is from acts or omissions on the part of the responsible person;
 - b. The willful infliction upon a child of any cruel or inhumane corporal punishment or any injury resulting in a traumatic condition; or
 - c. The willful harming or injuring of a child or endangering of the person or the health of a child where the person responsible for the child's welfare is a licensee, administrator, or employee of any facility licensed to care for children or an administrator or employee of a public or private school or other institution or agency.

Child Abuse Does *Not* Include:

1. A mutual fight between minors;
2. An injury that is caused by the actions of a peace officer using reasonable and necessary force within the scope of his or her employment; or
3. An injury caused by any force that is reasonable and necessary for a person employed by or engaged in a school:
 - a. To stop a disturbance threatening physical injury to people or damage to property;
 - b. For purposes of self-defense;
 - c. To obtain possession of weapons or other dangerous objects within control of a pupil; or

- d. To exercise the degree of control reasonably necessary to maintain order, protect property, protect the health and safety of pupils, and maintain proper and appropriate conditions conducive to learning.

How to File a Complaint of Child Abuse Committed at a School Site

Parents and guardians of pupils have the right to file a complaint against a school employee or other person that they suspect has engaged in abuse of a child at a school site. To file a complaint, the parent or guardian must file a formal report with an appropriate local law enforcement agency. An appropriate law enforcement agency may be one of the following:

1. A Police or Sheriff's Department (not including a school district police department or school security department)
2. A County Probation Department if designated by the county to receive child abuse reports, or
3. A County Welfare Department/County Child Protective Services.

The complaint may be filed over the telephone, in person, or in writing. A complaint may also be filed at the same time with your school district or county office of education. School districts and county offices of education, however, do not investigate child abuse allegations.

The local law enforcement agency is required to investigate all complaints.

If the complaint of child abuse is "substantiated" or confirmed by the local law enforcement agency, meaning that the report of child abuse or neglect, as determined by the law enforcement investigator who conducted the investigation, is, based upon the evidence, more likely to have occurred than not, then a report of the investigation will be transmitted by the law enforcement agency to the governing board of the local school district or County Office of Education. A confirmed report of child abuse or neglect received by a governing board of a school district or County Office of Education will be subject to the provisions of California Education Code section 44031, which gives school employees certain rights regarding personnel information and records.

In addition, a confirmed report shall be forwarded by the law enforcement agency that investigated the complaint to the California Department of Justice according to California Penal Code section 11169 and notice will be provided to the alleged child abuser that he or she has been reported to the Child Abuse Central Index, as maintained by the Department of Justice.

This guidance is mandatory only to the extent that it cites a specific statutory and/or regulatory requirement. Any portion of this guidance that is not supported by a specific statutory and/or regulatory requirement is not prescriptive pursuant to California Education Code section 33308.5.

AUTHORIZATION FOR MEDICATION ADMINISTRATION

Pursuant to Education Code section 49423, students who are required to take medication prescribed by a physician, surgeon, or physician assistant during the regular school day (including over-the-counter medications such as aspirin, cold medicine, etc.) may obtain assistance from a school nurse or other designated employee if the District receives a written statement from both the student’s physician, surgeon, or physician’s assistant (“Provider”), and the student’s parent/guardian authorizing the use of the medication and requesting assistance in its administration.

Except for certain self-administered medications (“epi-pen,” “inhaler,” or “insulin”) authorized for personal use, students may not self-medicate or possess any over-the-counter or prescription medication while on District property. Unless otherwise governed by an Individualized Education Plan or Section 504 Plan, completion of this Authorization and compliance with its obligations by the parent/guardian and student is required to maintain the privilege afforded by section 49423. In addition, pursuant to Education Code section 49480 and this Authorization, the school nurse is authorized to contact the Provider below to have any question, issue, or safety concern addressed regarding the proper storage, handling, or administration of the medication, and the possible effects of the drug on the student’s physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose. District employees may also communicate the existence of this Authorization to teachers and other employees who may supervise the Student.

1. Type 1 Diabetes Information

- a) Type 1 diabetes in children is an autoimmune disease that can be fatal if untreated, and the guidance provided in this information sheet is intended to raise awareness about his disease.
- b) Type 1 diabetes usually develops in children and young adults, but can occur at any age.
 - According to the U.S. Centers for Disease Control and Prevention (CDC), cases of type 1 diabetes in youth increased nationally from 187,000 in 2018 to 244,000 in 2019, representing an increase of 25 per 10,000 youths to 35 per 10,000 youths, respectively.
 - The peak age of diagnosis of type 1 diabetes is 13-14 years, but diagnosis can also occur much earlier or later in life.
- c) Type 1 diabetes affects insulin production.
 - As a normal function, the body turns the carbohydrates in food into glucose (blood sugar), the basic fuel for the body's cells.
 - The pancreas makes insulin, a hormone that moves glucose from the blood into the cells.
 - In type 1 diabetes, the body's pancreas stops making insulin, and blood glucose levels rise.
 - Over time, glucose can reach dangerously high levels in the blood, which is called hyperglycemia.
 - Untreated hyperglycemia can result in diabetic ketoacidosis (DKA), which is a life-threatening complication of diabetes.
- Risk Factors Associated with Type 1 Diabetes
 - a) It is recommended that students displaying warning signs associated with type 1 diabetes, which are described below, should be screened (tested) for the disease by their health care provider.
 - b) Researchers do not completely understand why some people develop type 1 diabetes and others do not; however, having a family history of type 1 diabetes can increase the likelihood of developing type 1 diabetes.
 - c) Other factors may play a role in developing type 1 diabetes, including environmental triggers such as viruses.
 - d) Type 1 diabetes is not caused by diet or lifestyle choices.

- Warning Signs and Symptoms Associated with Type 1 Diabetes
 - a) Warning signs and symptoms of type 1 diabetes in children develop quickly, in a few weeks or months, and can be severe. If your child displays the warning signs below, contact your child's primary health care provider or pediatrician for a consultation to determine if screening your child for type 1 diabetes is appropriate:
 - Increased thirst.
 - Increased urination, including bed-wetting after toilet training.
 - Increased hunger, even after eating.
 - Unexplained weight loss.
 - Feeling very tired.
 - Blurred vision.
 - Very dry skin.
 - Slow healing of sores or cuts.
 - Moodiness, restlessness, irritability, or behavior changes.
 - b) DKA is a complication of untreated type 1 diabetes. DKA is a medical emergency. Symptoms include:
 - Fruity breath.
 - Dry/flushed skin.
 - Nausea.
 - Vomiting.
 - Stomach pains.
 - Trouble breathing.
 - Confusion.
- Types of Diabetes Screening Tests that are Available
 - a) Glycated hemoglobin (A1C) test:
 - A blood test measures the average blood sugar over two to three months.

- An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- b) Random (non-fasting) blood sugar test:
 - A blood sample is taken any time without fasting.
 - A random blood sugar level of 200 milligrams per deciliter (mg/dl) or higher suggests diabetes.
- c) Fasting blood sugar test:
 - A blood sample is taken after an overnight fast.
 - A level of 126 mg/dl or higher on two separate tests indicates diabetes.
- d) Oral glucose tolerance test:
 - A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid.
 - A reading of more than 200 mg/dl after two hours indicates diabetes.
- Type 1 Diabetes Treatments
 - a) There are no known ways to prevent type 1 diabetes. Once type 1 diabetes develops, medication is the only treatment.
 - b) If your child is diagnosed with type 1 diabetes, their health care provider will be able to help develop a treatment plan.
 - c) Your child's health care provider may refer your child to an endocrinologist, a doctor specializing in the endocrine system and its disorders, such as diabetes.

Please contact your student's school nurse, school administrator, or health care provider if you have any questions.
